Gr Mahatma Gandhi wanted us to know that world only in our hands. You should not look forward to change ~~the~~ the world. You can create them yourself. And you must start by yourself. I agree with Mahatma Gandhi for some reasons.

Gr First of all, if you are aggressive person do not you never see the beautiful of world. You don't help people. You ^{can not} make good change in the world. But if you kind person you can make world to the best various of it.

Gr Lord Voludemort was really bad person. He kills a lot of people. He change the world to really bad side.

Secondly, we never can change the all world. Our ~~world~~ world is our family, friends, hometown. I think that we must start change the world with that. For example, I and my friends try make good atmospery in our school. It helps me, my f nce and my friends and all my classmates be more kind and happy.

In counclusion, I would like to say that I agree with Mahatma Gandhi. We can change the world if we starts by oeself. I really love this quotation. I thy following to this. I think, Mahatma Gandhi is a really great person.
