Alekt!!! Peter Ist was Jewish?!!!?

Probably not but if you are interested in some interesting and sometimes hilarious information about Russian history, you can become a member of our "Russian History Club".

Why shd Here's why you should join it: first, we have a lot, like A LOT of history books and even some ancient artifacts. And the second thing that it will take you 4 hours a week, 1 hour every Monday, Wednesday, Friday and Saturday. During this time, we will collect all the information about our country and most of you will learn a lot of new facts, like, did you know that Peter Ist loved to write letters every night? Or even I didn't know that either.

And also, most important every winter we plan a trip to the famous Russian places & like Saint-Petersburg.
