"Welcome to the "Russian History Club" "

Hello, my name is Alyona and i want to invite you to a "Russian History Club". This club is very interesting and will help you with many things in your future. This club is special, because its a Russian club about their history. Many people already know this club and found it very cool. Its about history and you can understand very hard themes about this subject. I think it sounds really good. Plans for the club - learn something new, found new friends, become more smarter and spend your time in a good company. Each session will take a hour of your time, but this time you'll spent ~~very~~ very interesting. Our coaches and teachers are very smart people and they love their job so much. So dont worry about this. If you dont have to do something after school and you're bored - welcome to a "Russian History Club". Our ex students very happy that our club still accept a new student's and sometimes they come to our sessions. And they know ~~so~~ so many things right now, because they going to club. In the final i want to say: if you'll come to our club thats will be one of the best experience of your life. And good luck!

Bye
